**B. Kamins - Diamond Radiance Rejuvenating Cream**  
Product ID: 25047

A multi-action day cream that moisturizes and also helps provide firmness, elasticity and fullness to the skin for a healthy, youthful-looking complexion. Peptides and botanical extracts help to firm and smooth the skin and reduce the appearance of wrinkles and slackened skin. The sheer color-correcting formula instantly creates a luminous and radiant complexion, while light-reflecting diamond particles diffuse the shadows caused by wrinkles, optically diminishing their appearance.

**Skin Type:**

All skin types, especially mature skin.

**Primary Purpose:**

To visibly improve the appearance of mature skin by improving firmness and elasticity, diminishing the appearance of wrinkles and enhancing radiance of sallow, dull complexions.

Features/Benefits/Results:

- Helps to strengthen the structure of the skin to help improve firmness and smooth wrinkles.
- Powerful moisturizing agents combined with an advanced delivery technology for intensive, long-lasting hydration.
- Protects against UV damage from the sun's rays.
- Immediate firming and radiance results that you can see and feel.
- Soft-focus diamond particles radiate and refract the light to optically diffuse the look of wrinkles.
- Transparent color-correcting formula revitalizes the appearance of dull, sallow skin leaving it with a radiant glow.

**Retail Price:** \$250.00

**Usage:**

Apply to face, neck and décolleté, avoiding eye area, each morning after cleansing and toning. If a reparative product is to be applied, do so before applying Rejuvenating Cream. May be lightly reapplied several times daily, as needed, without smudging makeup.

**B. Kamins - Eyelash Fortifier**

Product ID: 25046

An advanced eyelash and eyebrow conditioner that contains a powerful revitalizing complex which gets right to the root of the problem of thinning lashes and brows. This cosmetic treatment is enriched with peptides, natural plant extracts and multi-vitamins, which helps to condition and protect delicate lashes. Results: lashes are strengthened to resist environmental damage which can cause loss and breakage, and are fortified to appear thicker, fuller and more youthful-looking, even without makeup.

Skin Types:

All skin types.

Primary Purpose:

To condition lashes and brows to help prevent loss and breakage and to fortify them to appear thicker, fuller and more youthful-looking.

Features/Benefits/Results:

- Strengthen lashes and brows to help prevent lash loss and breakage.
- Promotes naturally thicker, fuller-looking eyelashes and eye brows in 6-8 weeks.
- Conditions eyelashes and helps protect them from environmental damage and breakage.
- Specially formulated and pH balanced to be non-irritating to eyes.
- Ophthalmologist tested and safe for contact lens wearers.

**Retail Price:** \$90.00

**Usage:**

To dispense product, turn base of tube in a clockwise direction. It may take several clicks upon first use. Use nightly, on cleansed eyelashes and eye brows, just before bedtime. Using the applicator tip, apply a very small amount of gel to the base of the upper lash line. Pat gently with a clean fingertip to distribute evenly along the roots of the lashes and onto the eyelashes themselves. FOR EXTERNAL USE ONLY. DO NOT APPLY DIRECTLY INTO THE EYE. If this occurs, wash copiously with water. Should irritation develop, discontinue use.

Always stunning from head to heel, the Hollywood film star leads a life of glitz and glamour, passionate love affairs, and countless poolside cocktail hours-both on and off the silver screen. Simply buff on these silky shades of shimmering apricot and smooth mauve, and your eyes will look as elegant-and beautifully dramatic-as the iconic sirens of yesteryear. Add to that a bold frame of gold-black and glistening mascara, and you'll find you have an adoring audience, wherever you go.

What makes bareMinerals Eyecolors so special?

Just like our award-winning bareMinerals SPF 15 Foundation, 100% pure bareMinerals Eyecolors are completely free of preservatives, talc, oils, waxes, fragrances and other chemical irritants. They apply velvety smooth, avoiding any pulling or tugging of the eye area, and offer vibrant, stay-true color that won't smudge, run or fade away. Nothing but silky, 100% pure bareMinerals provides seamless blendability, giving you the gentlest, purest color on earth.

All Sales Final - No Returns or Exchanges.

**Retail Price:** \$30.00

**Usage:**

bareMinerals Signature Application Steps:

Swirl a small amount of bareMinerals in the lid with the brush until all the bareMinerals are tucked into the bristles.

Tap away excess. There should be no visible bareMinerals on the outside of the brush.

Buff bareMinerals eyecolors onto the eyelids in a natural sweeping motion.

Get The Look:

Buff High Style Eyecolor from lash line to brow for a soft, glistening base of light apricot.

Layer Snazzy Eyecolor from lash line to crease, blending the deep mauve shade into the crease contour for depth and sparkle. For a more vivid look, you can "foil" (Apply wet) Snazzy Eyecolor with a dampened brush.

Apply Humor Liner Shadow along the upper lash and lower lash lines for a glistening-black frame.

Coat lashes with Magic Wand Brushless Mascara in long, controlled strokes from base to tip.

Image: Eyebrow Mousse - Dark Blonde

**Blinc - Eyebrow Mousse - Dark Blonde**

Product ID: 21026

blinc's Fountain of Youthful Color™ Eyebrow Mousse is the original eyebrow mousse invented to give enhancing, water-resistant and moisturizing color to your brows with anti-aging benefits for the underlying skin.

Once applied, blinc Eyebrow Mousse fills in sparse areas to create the perfect brow line that cannot fade, run, or smudge, even if you sweat or wear it in harsh weather conditions. Get ready for beautiful, face-framing brow color that lasts all day long, unlike traditional eyebrow products that disappear half way through your busy day. In addition to the unparalleled hold of blinc Eyebrow Mousse, the innovative product also contains a peptide to moisturize and provide anti-aging treatment to the skin beneath your brow. Not only will you have perfectly colored brows, but you will also be treating your skin at the same time!

At the end of the day, blinc Eyebrow Mousse is easily removed, only when you are ready, with any gentle makeup remover.

**Retail Price:** \$24.00

**Usage:**

Use the wand applicator and gently sweep the wand across the brow line in short strokes to give the appearance of natural hairs. This will allow you to determine the desired thickness or thinness of the brow. Apply additional coats for deeper color.

To remove:

Easy to remove with any gentle makeup remover.

**GliSODin Skin Nutrients - Advanced Pre/Post Formula Phase One**

Product ID: 20403

Supports the immune system and reduce oxidative stress associated with aesthetic treatment procedures. Promotes a healthy microcirculatory and venous system. Minimize bruising and swelling. Helps reduce anxiety and stress associated with aesthetic treatment procedures.

In order to reduce recovery time and improve aesthetic results, an individual's health & nutritional status prior to treatment is important as this may delay or accelerate the wound healing process.

The administration of pre and post treatment nutraceutical formulations, potent antioxidants and immune enhancing agents have been shown in human clinical studies to be beneficial in reducing oxidative stress associated with the treatment procedure.

Oral supplementation with GliSODin has been shown scientifically to offer a therapeutic means for the prevention and treatment of many conditions associated with increased oxidative stress and inflammation.

Depending on the type of treatment, the Advanced Pre/Post Formula is separated into two phases. Phase one provides GliSODin with complimentary ingredients that specifically support non-invasive aesthetic procedures such as:

Mesotherapy

Body Contouring/Cellulite Treatments

Laser hair removal

Laser treatment of leg veins

Sclerotherapy

Permanent make up

Soft tissue fillers & injectables

**All Sales Final - No Returns or Exchanges.**

**Retail Price:** \$150.00

Take 1 capsule of Formula 1 and 1 capsule of Formula 2 with a meal, twice per day. Take 15 days prior to, during and after aesthetic procedure (9-30 days total).

**GliSODin Skin Nutrients - Advanced Pre/Post Formula Phase Two**

Product ID: 20404

Natural cranberry-raspberry flavour. For cosmetic surgical procedures, the Advanced Pre/Post Formula provides a second phase to further support the wound healing process and assist in recovery time. Phase Two contains amino acids and complimentary ingredients to prepare the body for cosmetic surgery and support post-surgical recovery. It is recommended that patients take both Phase One and Phase Two for invasive surgical procedures such as;

Abdominoplasty (tummy tuck)

Blepharoplasty (cosmetic eye surgery)

Breast augmentation/lift

Buttock augmentation/lift  
Calf augmentation  
Cheek implants  
Chin augmentation

### Kinerase - PhotoFacials Sun Damage Reversal System

Product ID: 28243

Kinerase skincare provides powerful anti-aging efficacy, delivering clinically-proven results in gentle skin-caring formulations. The power behind Kinerase is Kinetin (N6-Furfuryladenine), a plant-based antioxidant whose anti-aging properties were discovered when scientists found that it prevented plant leaves from drying out and withering. With Kinerase, indulge in the luxury of skincare science to reveal youthful, radiant, reenergized-looking skin.

Step 1: Daily Exfoliating Cleanser (2 oz.): This gentle cleanser immediately polishes away rough skin then stimulates cells to restore fresh, even-tones skin. Microexfoliating particles and a Superfruit Enzyme Complex polish away rough skin cells. Zinc, Copper and Magnesium stimulate cell generation to restore radiant skin. Kinetin reduces the signs of aging.

Step 2: Daily Moisturizer with SPF 50 (1 oz.): This multi-tasking lotion is formulated to prevent and correct incidental sun damage. It protects against UVA and UVB damage, and contains an exclusive combination of ingredients to fade spots, even tone, stimulate collagen production, and reduce the appearance of wrinkles for healthy, vibrant skin. A complex of Lactic Acid, Kojic Acid, Mulberry Extract, and Bearberry Extract is a gentle hydroquinone alternative that targets discoloration. Beta-Glucan stimulates collagen production. Kinetin reduces the signs of aging.

Step 3: Night Moisturizer (1 oz.): This cream reverses the signs of sun damage to restore the skin's lipid barrier and increase cell renewal while you sleep. SepiWhite MSH and SepiCalm VG stop the irregular production of melanin that causes uneven skin tone. A patent-pending ozone protector works overnight to repair the daily environmental damage to the skin's lipid barrier. Matrixyl 3000 promotes skin repair and improves elasticity. Kinetin reduces signs of aging.

Kinerase PhotoFacials Sun Damage Reversal System is the revolutionary 3-step topical skincare system that replicates the sun damage reversal benefits of one of the top dermatologist procedures, PhotoFacials, at home. It reduces the signs of sun damage like hyperpigmentation, uneven skin tone and texture, and wrinkles for a more youthful appearance. The System is formulated to work, synergistically to stop, correct, and protect from the signs of sun damage to restore soft, radiant skin.

A clinical study showed that 89% of women had noticeable improvement in sun damage in just 4 weeks.

Designed to provide dermatologists with an efficient solution to address the issues of oily and acne-prone skin, Effaclar skincare range features LHA, a unique micro-exfoliating agent to reveal smoother, healthier looking skin.

Effaclar AI Intensive Acne Spot Treatment addresses acne-prone skin with localized acne breakouts.

Properties: Effaclar AI has been rigorously formulated with:

5.5% Benzoyl Peroxide acne medication to target acne deep in the pores to help control and correct breakouts.

0.4% LHA to microexfoliate the skin and stimulate cell renewal to help prevent, residual marking. Results: Breakouts are effectively treated at the source. Residual skin marks are visibly reduced. Skin surface is more even.

Oil-free formula is absorbed easily, leaving skin comfortable. Can be used under make-up.

Non-comedogenic. Tolerance tested on acne-prone skin under dermatological control.

**Retail Price:** \$29.00

**Usage:**

Clean the skin thoroughly before applying. Cover the entire affected area with a thin layer one to three times daily because too much drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a doctor. If bothersome dryness or peeling occurs, reduce application to once a day or every other day. If going outside, use a sunscreen. Allow product to dry, then follow directions in the sunscreen labeling. If irritation or sensitivity develops, stop use of both products and ask a doctor.

Image: Anti-Aging Level 1: Starter Protocol

Product ID: 21030

The NeoStrata AntiAging Level I Starter Protocol includes day and night products formulated with 10% AHA for first time AHA users. Alpha hydroxyacids (AHAs), glycolic and citric acid help visibly reduce fine lines and wrinkles and restore the skin to a more youthful appearance. AHAs have also been proven to improve the quality of elastin and the density of collagen, and to promote the production of GAGs such as natural hyaluronic acid, which help support the skin, building volume, increasing the appearance of fullness and firmness, and smoothing wrinkles from the inside out. These NeoStrata AHA products are also formulated with an amphoteric complex to maintain effectiveness while adjusting pH for gentle skin absorption.

Protocol Includes: Facial Cleanser 6.0 fl oz, Bionic Face Serum 1 fl oz, Ultra Daytime Smoothing Cream SPF 15 1.4 oz, Ultra Smoothing Cream 1.4 oz.

- Powerful anti-aging benefits for first time users of AHAs
- Controls Signs of Aging
- Restores Youthful Radiance

**Retail Price:** \$141.00

**Usage:**

Apply a moderate amount of NeoStrata Facial Cleanser to wet skin and massage gently to cover the entire face. Rinse with water. Use twice daily. After cleansing, apply a drop of NeoStrata Bionic Face Serum to the face and neck. In the daytime, follow with NeoStrata Ultra Daytime Smoothing Cream SPF 15. In the evenings apply NeoStrata Ultra Smoothing Cream to the face and neck following cleansing and the use of any treatment products.

Image: Anti-Aging Level 2: Step Up Protocol

**Neostrata - Anti-Aging Level 2: Step Up Protocol**

Product ID: 21031

The NeoStrata Anti-Aging Step Up Level 2 Protocol is formulated with powerful levels of AHA/PHA, including glycolic acid, for patients who have already experienced and demonstrated tolerance of glycolic acid (such as 10% formulas found in NeoStrata Anti-Aging Starter Level 1 Protocol). AHAs have been shown to reduce pore size, smooth texture, even skin pigment and tone, and improve the quality of skin structure (elastin, collagen and GAGs) so skin has a more youthful fullness, and wrinkles are smoothed from the inside out. These NeoStrata AHA products are also formulated with an amphoteric complex to maintain effectiveness while adjusting pH for gentler skin absorption.

Protocol Includes: Foaming Glycolic Wash 3.4 fl oz, Bionic Face Serum 1 fl oz, Ultra Daytime Smoothing Cream SPF 15 1.4 oz, High Potency Cream 1.0 oz.

- Powerful anti-aging benefits for experienced users of AHAs
- These products should only be used by patients not sensitive to glycolic acid.
- Reverses Signs of Aging
- Restores Youthful Radiance

**Retail Price:** \$159.00

**Usage:**

Pump a moderate amount of Foaming Glycolic Wash into hands. Apply to wet skin and cover

entire face, avoiding eyes. Rinse with water. Use twice daily. After cleansing, apply a drop of NeoStrata Bionic Face Serum Face Serum to the face and neck twice daily. In the daytime follow with NeoStrata Ultra Daytime Smoothing Cream SPF 15. In the evening, apply NeoStrata High Potency Cream to face and neck after cleansing and application of treatment products.

Image: Post-Acne Fade Gel

#### Neostrata - Post-Acne Fade Gel

Product ID: 21029

NeoCeuticals Post Acne Fade Gel is formulated with Polyhydroxy Acids that help exfoliate damaged cells and skin discolorations and create a more even complexion by enhancing cell turnover. Hydroquinone (2%) helps lighten and fade post-acne spots while Kojic Acid (3%) and licorice extract balance skin tone. Gentle pH formula.

**Retail Price:** \$90.00

**Usage:**

Apply a small amount as a thin layer on the affected area twice daily or as directed by a doctor. If no improvement is seen after 3 months of treatment discontinue use. Lightening effect may not be noticeable when used on very dark skin. Limit sun exposure during and after use to prevent darkening from recurring. Use a sunblocking agent or protective clothing.

**All Sales Final - No Returns or Exchanges.**

**Retail Price:** \$89.00

**Usage:**

Prior to the first use, charge the brush handle for 24 hours by putting it into the cradle.

Turn the Nutra Sonic on by pushing the larger of the 2 buttons. To choose the speed, push the smaller button and select.

Remove eye makeup by hand. Liberally apply cleanser to your skin or to the brush head and wet your skin. Push the on/off button to turn your Nutra Sonic on and gently move the brush over your face and neck area using a small circular motion. Begin on forehead, then move to the nose/chin then to the neck area. Do not press the brush too hard against the skin since this will reduce the effectiveness. The Nutra Sonic brush is waterproof and may be used in the shower or bathtub.

How to Use Nutra Sonic:

Do not use abrasive cleansers or chemicals to clean any part of the Nutra Sonic. Do not put any part in dishwasher. Wipe or wash the handle using warm soapy water to remove any residue buildup. The handle is sealed and fully waterproof. Never try to open the brush handle for any reason.

Charger:

Unplug the charging cradle before cleaning. After unplugging the cradle, wipe it with a soft, damp cloth. Do not immerse the charging cradle in water.

Brush Heads: We recommend that the Nutra Sonic brush heads be replaced every 3 to 4 months as the bristles become fatigued and less effective over time. After use, remove the brush head from the handle and rinse with warm soapy water to remove any residue. To remove the brush head, grip the brush head firmly, then push and twist it counter-clockwise. To attach the brush head, push down and twist the head clockwise until it snaps into place.
