**Ahava - Dead Sea Mineral Mud**

Product ID: 27814

Rich, black mineral mud, harvested from the banks of the Dead Sea, is comprised of layer upon layer of sedimentary clay formed over thousands of years. Captured within is an extremely high concentration of minerals, scientifically proven to be essential in maintaining healthy skin. Ahava Black Mineral Mud works deep to clean, purify and restore the skin's natural moisture balance, leaving it smooth, radiant and revitalized.

**Retail Price:** \$25.00

**Our Price:** \$22.50

**Usage:**

Spread generously over body (avoid wounds), then rinse off after 7-15 mins. Mud may be heated for maximum benefit. CAUTION: Test the temperature of the mud before use.
