Exuviance - Age Repair Trio

Product ID: 28182

Exuviance Age Repair Trio includes three of our best-loved and most powerful anti-aging products to dramatically transform your skin. Vespera Bionic Serum (1 oz.): Aging? Get serious with Vespera Bionic Serum, a powerful cocktail of highly concentrated ingredients, clinically proven to bring new life to stressed skin in just six weeks. This potent nighttime serum, with antioxidant multivitamins A, C and E, fights against photoaging, fending off free radicals brought on by environmental damage. Revolutionary Lactobionic Acid helps prevent collagen degradation and stimulate skin matrix production, for smoother, more youthful looking skin. Visible signs of aging are dramatically diminished and youthful radiance is restored. Give your skin a power boost.

Rejuvenating Complex (1.0 oz.): Dual mechanism Rejuvenating Complex partners two proven powerhouses of cosmetic dermatology in one potent lotion. Polyhydroxy Acid and Pro-Retinol work synergistically to deliver dramatic, clinically proven improvements in overall skin texture, including diminished lines, wrinkles, and pore size. Plus, Polyhydroxy Acid carries benefits for skin at deeper layers, protecting fragile elastin from breakdown and encouraging matrix volume building and skin plumping, so skin appears smoother, lines and wrinkles are diminished from the inside out. Now your skin can look noticeable younger, visibly more refined. SkinRise Bionic Tonic (36 Single Use Pads-2 oz.): Start your day with SkinRise Bionic Tonic, a unique antioxidant anti-aging tonic that refreshes, protects and treats in one step. A multivitamin for your skin, this antioxidant formula is infused with refreshing cucumber, eucalyptus and an exclusive marine botanical plus Pro-Vitamins A, C and E to help protect against environmental aggressors. Patented Lactobionic Acid, derived from milk sugar, gently stimulates your skin to reveal a brighter tone and refine uneven texture. What a beautiful way to start the day!

Exuviance - Introductory Collection - Oily / Acne Prone Skin

Product ID: 25739

The Exuviance Introductory Collection for Oily/Acne Prone Skin introduces five high-performance anti-aging solutions specifically created for women with oily, problematic skin. Your skincare regimen starts with our soap-free Exuviance Moisturizing Antibacterial Cleanser to wash away impurities, make up and oil without disrupting your skin's delicate pH balance. Then, prime your skin with Exuviance Matte Perfection to instantly erase any unwanted shine and fight the over-production of oil with an almond-derived Alpha-Hydroxy Acid, Mandelic Acid. For those "extra-oily" days Matte Perfection is also great for touch-ups, so you may want to take it with you! Next, protect your skin with Exuviance Sheer Refining Fluid, SPF 15. This lightweight, oil-free lotion contains two powerful ingredients - Phytal® to suppress stubborn daytime oil and our exclusive amino sugar complex , NeoGlucosamine™, to help diminish dark spots and blemishes - while offering protection from future damage with a broad spectrum sunscreen (SPF 15). In the evening repair and renew your skin with Exuviance Night Renewal HydraGel. This silky, hydrating gel combines Phytal®, a botanical blend that controls oil, with Gluconolactone, a Polyhydroxy Acid that helps smooth fine lines and wrinkles while refining your skin's texture and tone as you sleep. As a weekly treat, detoxify your pores with our invigorating Exuviance Purifying Clay Masque. This powerful treatment masque utilizes an ultra-cooling, balancing clay formulation to draw out impurities and refine pores for a brighter and smoother complexion after 10 minutes. Dermatologist developed.
