Glytone - Firm Lipo - Lift Massage Kit

Product ID: 13101

This innovative skin firming system from Glytone pairs a powerful energizing gel with a specialty message head. The 200 ml Lipo-Lift gel helps diminish the appearance of dimpling, making the skin visibly smoother and firmer. The massage head gently stimulates microcirculation, delivering the gel deep into the skin.

This synergistic pairing promotes tissue draining, an important step in the reduction of cellulite. For the best results, follow with Glytone Lipo-Lift Serum.

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$44.00

Usage:

In the shower: Insert the nozzle of Lip-Lift Massage Gel into the opening of the top part of the Body Massager. Press down firmly on the tube and squeeze out enough product into the Body Massager base for one use. Wet the glove and gently massage skin to work up later.

Use once a day on cellulite prone areas such as the thighs, buttocks and abdomen. Massage the problem areas in a circular motion working up and down 4 to 5 times clockwise, then 4 to 5 times counter-clockwise. Rinse well.

Glytone - Firming Eye Gel

Product ID: 13118

This specially formulated gel utilizing Glycolic Acid in a completely oil-free, high-protein vehicle will help diminish the appearance of fine lines and enhance skin tone around the eyes. The product has a pH of 3.0 and free glycolic acid percentage of 2.6%.

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product

please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$30.00

Usage:

After a thorough cleansing, gently smooth around the eye area to be toned. If skin becomes overly dry or dehydrated, apply an oil-free moisturizer as needed. Use no more than once per day.

Glytone - Restore Lipid Recovery Cream

Product ID: 28145

Glytone lipid recovery cream is a unique formula specially designed for use post procedure (chemical peels, laser, microdermabrasion and fillers). It uses the properties of camelina oil, also known as "Siberian oilseed" combines with pro-vitamin A, sodium hyaluronate and rich emollients such as shea butter and glycerin.

Glytone lipid recovery cream helps restore the natural skin barrier and protect against external aggressors.

Camelina Oil (3%) provides exceptionally high levels of omega-3 fatty acids such as linoleic acid and vitamin E.

Retinyl Palmitate helps replenish the skin with soothing vitamin A.

Sodium Hyaluronate helps enhance skin's moisture retention.

Shea Butter, glycerin and vegetal squalane help hydrate and moisturize.

Retail Price: \$38.00

Usage:

Apply liberally as often as needed or as directed by a physician.

Glytone - Retexturize Hand Cream SPF 15 (formerly WellSkin)

Product ID: 16708

This item is now re-packaged under the Glytone line! Product is now available.

This is an advanced emollient specially formulated for hydrating and improving the skin texture and tone of rough, dry hands. It delivers immediate and delayed release of moisture and exfoliating benefits to hands. Repeated use can provide enhanced moisturization for the management of dry skin. The sunscreen may help inhibit signs of photoaging from UV exposure. 14% Glycolic complex, pH balanced at 4.0, formulated with Novasome microvesicle delivery technology and SPF 15 sunscreen.

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$30.00

Apply once or twice daily or as directed by a physician. Apply generously before sun exposure and as needed. Reapply as needed or after towel drying, swimming or perspiring. Children under 6

months of age: ask a doctor.

Glytone - Retexturizing Body Lotion (former name Glytone Body Lotion)

Product ID: 13100

Former name Glytone Body Lotion.

This specially formulated lotion utilizes distinctive emollients and Glycolic Acid to effectively rid your skin of the dead cells which result from rough, dry and sun damaged skin leaving a soft, smooth feel.

Glytone Body Lotion containing 17.5 Free Acid Value will help hydrate your skin and enhance skin tone. To be used in conjunction with Exfoliating Body Wash for best results.

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$34.00

Usage:

Gently massage onto arms, legs and other parts of your body that require special attention. For best results, use immediately after shower or bath. Use as often as desired

Glytone - Self Tanning Duo

Product ID: 50031

A great combination. Glytone Exfoliating Body Wash and eau Thermale Avene Moisturizing Self-Tanning Lotion!

Glytone **Exfoliating Body Wash** 200 ml. / 6.7 oz.

This refreshing fragrant product is specially designed to cleanse and soften the whole body while providing the exfoliating and revitalizing qualities of Glycolic Acid.

The product has a pH of 3.4 and free glycolic acid percentage of 8.8%. To be used in conjunction with Glytone Body Lotion for optimal results.

eau Thermale Avene **Moisturizing Self-Tanning Lotion** 100 mL / 3.38 Fl Oz

Moisturizing self-tanner specifically adopted for sensitive skin. Face and body.

In just one hour, with no sun, this new self-tanning lotion produces an even, natural-looking golden glow that suits all skin tones.

Containing a high percentage of soothing, softening Avene thermal spring water, it is well tolerated by even the most sensitive skin.

Its lightweight, non-greasy texture is designed for fast, easy application with no staining and no "tidemarks". It leaves the skin moisturized and pleasantly scented.

The depth and duration of the color obtained depends on the amount of product used and the frequency of application. To obtain an even, long-lasting tanned effect, apply once a day.

PROVIDES NO SUN PROTECTION.

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$46.00

Our Price: \$41.40

Usage:

Glytone **Exfoliating Body Wash** 200 ml. / 6.7 oz.

Squeeze a small amount (about 1 or 2 teaspoons) onto a pouf, loofah or wet washcloth and massage over the entire body, working into a rich lather. Rinse thoroughly.

eau Thermale Avene **Moisturizing Self-Tanning Lotion** 100 mL / 3.38 Fl Oz

Apply a thin, even layer to clean, dry face and/or body.

Glytone - Serious Shave Cream

Product ID: 13136

Provides protection and lubrication during shaving for tough beard and/or problem skin. Serious Shave Cream 13 delivers a clean, close shave as it softens and conditions the skin. Helps to reduce or eliminate razor bumps. The product has a pH of 3.4 and free glycolic acid percentage of 9.8%.

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$28.00

Usage:

Wash face with soap or soap-less cleanser and water. Rinse. Leave face wet and rub in shave cream. Product does not foam or lather. Add more water if necessary, rubbing into skin, leaving it wet and slippery. For problem skin, leave on for about two minutes before beginning to shave. Shave, wetting razor frequently. Rinse thoroughly.

**Glytone - Step 1 Rejuvenate System Starter Normal to Dry**

Product ID: 13183

Not sure if Glytone is right for you?**New! Starter System Available from Glytone**

Each trial size portion of product offers you the opportunity to feel, smell, and apply the product before investing in a full size container. This Starter Set Contains: 1 Fl. oz Mild Cream Wash and 0.53 oz Facial Cream Step 1

The benefits of this Starter Set:

To rule out allergic reaction

Make sure consistency is what you expected

Travel size for short trips (small and easy to pack)

To determine which strength is best for you

(note: trial sizes of treatment products are not enough for noticeable improvement of fine lines and wrinkles - consistent daily use for 10-12 weeks is necessary)

Purchasing this product indicates that you have had a skin care consultation and the product has been recommended for your use. If you have not consulted your physician about this product

please call 1-800-393-3848 to arrange for a consultation.

Retail Price: \$10.00
