Kinerase - Brightening Anti-Aging System

Product ID: 13343

A two part complex, powered by seven advanced brightening ingredients, including our proprietary strength antioxidant, Kinetin. This breakthrough formula contains a pearl extract with light diffusing properties to give skin an overall luminous finish. The result is a complexion that looks energized, radiant, and beautiful. Includes Brightening Face Serum 1 fl. oz. and Concentrated Spot Treatment 0.16 fl. oz.

The Brightening Serum is a brightening, anti-aging formula containing a luxurious Pearl Extract that instantly leaves the skin with a luminous, glamorous finish. Our exclusive Brightening Complex scientifically blends 7 natural ingredients that work synergistically to brighten the skin for a more radiant and perfectly even complexion. This high-performance serum also improves the appearance of discoloration and dark spots, while Kinetin reduces the visible signs of aging. The Concentrated Spot Treatment is formulated with a higher concentration of our exclusive Brightening Complex to target and improve the appearance of more prominent signs of discoloration and age spots. Kinetin also reduces the visible signs of aging.

Kinerase - Pro+Therapy Lotion With Kinetin & Zeatin

Product ID: 28233

Kinerase Lotion with Kinetin & Zeatin is an effective and non-irritating anti-aging moisturizer with a proprietary blend of the latest advancements in skincare technology. This product has been scientifically formulated to provide superior moisturization for aging, sun-damaged, post-procedural, and/or retinoid intolerant skin. Kinerase Cream with Kinetin & Zeatin is ideal for sensitive skin types and is non-prescriptive, hypoallergenic and non-comedogenic. Kinerase Cream with Kinetin & Zeatin is for patients with normal to dry skin.

What It Does:

Kinerase Lotion with Kinetin & Zeatin moisturizes all types of aging and photo-damaged skin. It visibly improves the appearance of fine lines and wrinkles by delaying the age-related changes in the skin. Kinerase Lotion with Kinetin & Zeatin is known to improve skin texture by increasing the amount of moisture retained in the skin by 26% in 24 weeks.

How It Works:

A proprietary concentration of kinetin and zeatin benefit the more severe visible signs of skin aging, improving the appearance of fine line and wrinkles. This superior treatment moisturizer quickly minimizes the appearance of freckles and brown spots, lessens the look of blotchy, uneven skin tone and repairs the visible signs of skin aging.

Kinerase - Pro+Therapy Procedure Recovery SPF 30

Product ID: 28234

Kinerase Pro+Therapy Procedure Recovery SPF 30 contains breakthrough ingredients that hydrate, soothe, protect, reduce redness and inflammation instantly and overtime, helping skin to bounce back quicker and stay refreshed longer.

What It Does:

Kinerase Pro+Therapy Procedure Recovery SPF 30 is an innovative post-procedure treatment that will aid in the reduction of inflammation caused by in-office procedures, by infusing moisture back into the skin to allow for a more accelerated healing. The added benefit of a SPF 30 will help to protect fragile post procedure skin from UVA and UVB rays. Kinerase Pro+Therapy Procedure Recovery SPF 30 is hypo-allergenic, non-comedogenic and perfect for all skin types.

How It Works:

Procedure Recovery's formulation allows for a more accelerated healing of depleted, fragile skin after professional procedures. This innovative product contains breakthrough ingredients that will help hydrate, soothe, protect, reduce the redness and inflammation immediately and over time. The addition of our proprietary ingredients, Kinetin and Zeatin will help to reduce the appearance of fine lines and wrinkles.

Kinerase - Pro+Therapy Skin Smoothing Cleanser

Product ID: 13324

Kinerase® Pro+Therapy Skin Smoothing Cleanser is designed to work with the Pro+Therapy treatment regimen. Daily use promotes improved texture of the skin and improves the appearance

of fine lines and wrinkles.

How it works:

This advanced formulation has mild exfoliating action on the skin without the typical redness, peeling and irritation associated with chemical exfoliation. For optimal benefits, Skin Smoothing Cleanser should be used twice daily for no longer than a six week duration. It is suggested to switch the regimen at 4-6 weeks to Kinerase Gentle Daily Cleanser to allow the skin to rebuild and achieve optimal skin smoothing benefits.

Key Ingredients:

- AHA-blend of Malic, Lactic and Citric Acids gently exfoliate the skin.
- White Tea Extract for antioxidant benefits.
- Green Tea Extract to soothe skin.

Skin Smoothing Cleanser is only available through physicians. Skin Smoothing Cleanser does not contain kinetin.
