Murad - Intensive Resurfacing Peel

Product ID: 26321

Two Treatments in One - The benefits of a peel combined with gentle microdermabrasion.

Four different exfoliating ingredients are combined to provide maximum resurfacing benefits. Chemical micro-exfoliates penetrate deep within the stratum corneum, to break the chemical bonds that hold debris and dead cells to skin's surface. Once loosened, mechanical micro-exfoliates buff away the dead cells revealing radiant, youthful-looking skin. Each ingredient provides a maximum visible difference to your skin.

A few minutes just three times a week results in skin that is smoother, brighter and more youthful. With the first application you will see and feel a difference in your skin. Continuous use leads to more visible results - better texture and tone, skin that is luminous and smooth.

Retail Price: \$165.00

Usage:

After cleansing and toning, gently smooth onto face and neck. Leave on for up to 10 minutes. Follow with recommended Murad moisturizer and sunblock.

NOTE: Formula is intense and if you have sensitive skin, you may only be able to leave product on for a few minutes to start. With continued use, product can be left on for longer increments. Follow with recommended Murad moisturizer and sunblock.
